ADMISSION EXERCISE REQUIREMENTS	Dependent on Colleges <i>(To refer to respective JCs' websites)</i>	For students who have <u>aptitudes & interests in specific fields of study</u>	For students who have <u>aptitudes & interests in specific fields of study</u>

Direct School Admission (DSA) for JC

- Allows students to apply to a school before taking the O-Level examinations. Students are recognised based on their talents in sports, arts, CCAs and other areas that may not be demonstrated in the O-Levels.
- If the DSA is successful, the student will be given a spot in JC as long as he/she meets the requirements

Direct School Admission (DSA) for JC

DSA Admission Requirements

1. L1R5 score of 20 and below
2. At least a C6 for English
3. At least a D7 for A and E math
4. At least a D7 in express Mother Tongue, E8 for Higher Mother Tongue and pass/merit in Mother Tongue 'B'

If the student does not meet the subject requirements but meets the conditions below, will still be eligible for conditional admission:

- $L1R5 \leq 15$
- L1R5 from 16 to 20 and have grades of 'A1' or 'A2' in all the 5 relevant subjects

Direct School Admission (DSA) for JC

Important dates for DSA 2021

Date	Event
Early May	<u>DSA Application opens</u> Start researching on the DSA application process and dates for the different JCs.
Late June to Mid-August	<u>Offer stage for Phase 1</u> Schools will shortlist and make offers to selected students. If you are shortlisted you may have to attend an interview. (this year it will be done online at your secondary school)
Mid- August	<u>Acceptance stage for Phase 1</u> You can only accept 1 offer by submitting a complete acceptance form to the school by 3pm on 14 August.
Mid- August	<u>Cooling-off stage</u> You may cancel your Phase 1 acceptance in this period.
Mid- August to Early September	<u>Offer stage for Phase 2</u> This is a second-round of the shortlisting process where the school will make an offer to the selected students. If selected, the student will have to attend an online interview.
Early September	<u>Acceptance stage for phase 2</u> You can only accept 1 offer by submitting a complete acceptance form to the school by 3pm on 10 September You can participate in the DSA-JC and Early Admissions Exercise concurrently. However, you will only be able to accept 1 offer.

* Based on 2021 DSA exercise. Dates will be slightly different in 2022

Early Admission Exercise (EAE) for Polytechnics

- This is an aptitude-based admission exercise that allows students to apply for and receive conditional offers for admission into polytechnics prior to their O-Level result release.
- All five polytechnics participate in the EAE exercise namely:
 - Ngee Ann Polytechnic
 - Nanyang Polytechnic
 - Singapore Polytechnic
 - Republic Polytechnic
 - Temasek Polytechnic

Early Admission Exercise (EAE) for Polytechnics

Polytechnic EAE Admission Requirements

For O-Level holders:

- i. A net ELR2B2 score of 26 points or better for the GCE O-Level examinations*; and
- ii. Minimum Entry Requirements (MERs) for the polytechnic course you have been offered under Poly EAE*. The MERs for each polytechnic course can be found on the [polytechnics' websites](#).

Note: ELR2B2 is used for admission into the polytechnics. It refers to:

- EL: English Language
- R2: 2 relevant subjects for the polytechnic course applied for
- B2: 2 other best subjects which could be elective subjects

Early Admission Exercise (EAE) for Polytechnics

O-Level students applying via **Poly EAE** will go through the following process:
