

Understanding Post-Secondary Education Options (Secondary 4NT)

Parent Engagement Webinar
Saturday, 12 March 2022

SEEK | STRIVE | SERVE

Institute of Technical Education

All ITE Colleges offer related courses in the following schools:

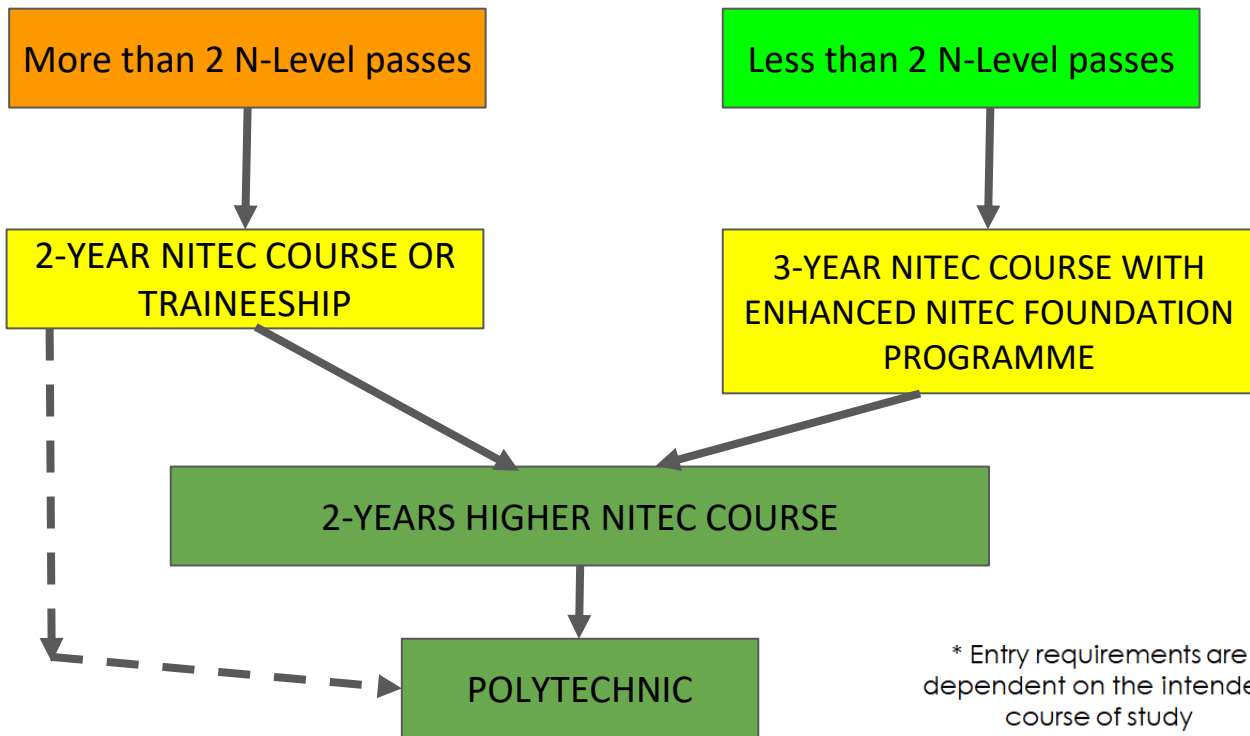

- School of Business & Services
- School of Electronics & Info-comm Technology
- School of Engineering

With the following exceptions

- School of Design & Media (offered only in ITE Central)
- School of Applied & Health Sciences (offered only in ITE East)
- School of Hospitality (offered only in ITE West)

* Entry requirements are dependent on the intended course of study

NEW 3-year Higher Nitec Course

- ❑ This new option will allow students to attain a Higher Nitec qualification directly, in only **3 years** instead of the current 4 years.
- ❑ ITE adopts a phased implementation approach beginning with **8** Higher Nitec courses in Academic Year (AY) 2022:
 - Higher Nitec in Accounting
 - Higher Nitec in Sport Management
 - Higher Nitec in Electronics Engineering
 - Higher Nitec in Security System Integration
 - Higher Nitec in IT Systems & Networks
 - Higher Nitec in Cyber & Network Security
 - Higher Nitec in Business Information Systems
 - Higher Nitec in IT Applications Development
- ❑ Students can apply for these courses using the existing Nitec entry requirements.

ITE Admission

By Merit (N-Level Results)

- More information on the relevant course requirement for specific courses can be found at <https://www.ite.edu.sg/courses/full-time-courses/nitec>

JIE Admission Booklet

ITE Early Admission Exercise

- Aptitudes & interests in a specific field of study-based
- Assessment will be through different modes (e.g. interviews, portfolio, aptitude tests etc)
- Minimum entry requirement will still have to be met
- Main advantage: Do not need to compete for admission into ITE strictly based on the National Examinations results
