From Elective Modules and classroom-based workshops to archery and physical learning journeys, the four-day programme has honed our students' awareness of the post-secondary options and enabled them to build skill sets to manage stress, studies, and national examinations.

Learning Journey to Green Industry – Gardens by the Bay

Archery as a Metaphor for Target Setting

Values in Action (VIA) Empathy Walk

3. **Term 1 Parent Webinars.** The two webinars conducted on 12 March (Sat) were well-received by parents, who found the sharing sessions informative and useful in guiding their child to make better informed choices. Parents can view the slides and recordings on the following websites:

### **COVID-19 Safe Management Measures (SMMs)**

4. We seek all students and parents/guardians to exercise social responsibility by observing all SMMs, such as:

- **Stay Home in These Situations.** Please inform the school/Form Teachers and keep your child/ward at home if:
  - your child/ward has flu-like symptoms such as **sore throat, cough, runny nose, and fever**. Medical treatment should be sought immediately. If tested positive for COVID-19, your child/ward should self-isolate at home and wait for further instructions from the Ministry of Health (MOH).
  - your child/ward is tested positive for COVID-19, but is well or assessed by a doctor to have a mild condition. Self-isolate at home for the first 72 hours. Thereafter, take an Antigen Rapid Test (ART) daily and he/she will end his/her isolation when:
    - a negative result is obtained;
    - on Day 7, 12 pm onward for fully-vaccinated individuals (Day 1 being the date of the positive test); or
    - on Day 14, 12 pm onward for partially-vaccinated/unvaccinated individuals.

In these situations, your child's/ward's teachers will provide learning support after recovery. Let us play our part in this joint effort to keep our nation and our school safe.

- **Students issued with Health Risk Notice (HRN).** Please inform the school/Form Teachers if your child/ward has been issued a HRN. Your child/ward may report to school if:
  - your child/ward is feeling well; and
  - your child/ward has a negative ART result taken in the morning before he/she leaves the house during the 5-day monitoring period (Day 1 being the date of receipt of HRN).

Your child/ward should take an image of the ART kit, with his/her name and date written on the kit. The daily image should be sent to the school/Form Teachers for each school day during the 5-day monitoring period.

MOH's Healthcare Protocols can be found at <https://www.covid.gov.sg/>

- **Face Masks.** Face masks must be **worn properly at all times**, except during physical activities and eating/drinking. Surgical masks, or reusable masks of equivalent effectiveness, should be used.

7. All Sec 1 to 3 timetables have **CCE/LLP** during Even Week Wednesdays from 1.30 pm to 2.30 pm. This period for Character & Citizenship Education (CCE) and Learning for Life Programme (LLP) is for selected student development experiences such as student leadership training and Values in Action (VIA) projects. We seek your help in reminding your child/ward to inform his/her Form Teachers, PE, and CCA teachers about the date of his/her vaccination so that he/she will be exempted from strenuous physical activities for 2 weeks.
10. To provide additional support for learning, **Mastery Learning Programme (MLP)** lessons may be conducted for students after school on the following days. ### **Term 2 School Events**

12. The highlight of the school year is the **StaRs Programme**, our iconic cohort-level student development experience. The StaRs Programme for Sec 1 to 3 will be held on 24 to 27 May 2022. The Sec 1 and 3 programme will focus on outdoor adventure learning, while the Sec 2 programme will focus on Education & Career Guidance (ECG) components. More information will be disseminated nearer the date.
13. The next **Parent Engagement Session (PES)** of the year will be held at the end of Term 2. There are two parts:
- For all levels between 27 May and 1 July 2022.** In view of the COVID-19 situation, Form Teachers will contact parents/guardians through a phone call to update you on the progress of your child/ward holistically.
  - For Sec 3 on 28 May 2022.** There will be a Zoom Webinar on School Programmes and Academic Sharing. We strongly encourage you to attend these talks, so as to better prepare your child/ward in his/her Sec 3 year. To better meet your needs, we would like to find out from you the areas that you are keen to know more about. Please take some time to complete the survey <https://go.gov.sg/sec3pw> by **18 April (Mon)**.

14. The **Student Leaders' Investiture** marks an important milestone for our student leaders, where the Prefects, CCA Leaders, Peer Support Leaders, and Class Committee Members are invested into their role to lead the school. The ceremony will be held on the **6 April (Wed), 12.30 pm to 1.30 pm**. Sec 3 students will witness the event live in the school hall with safe distancing abiding by the SMMs, while the rest of the school participates from the classrooms.
15. We will celebrate our **94<sup>th</sup> Prize Presentation Day** on **14 April (Thu), 12.30 pm**. The theme for this year's event is aligned to our school's direction for 2022, Inspiring Joyful Learning.
16. The Prize Presentation Day marks a significant milestone for our school in celebrating the holistic achievements of our Serangoon StaRs in the areas of character, academics, aesthetics, sports, and leadership. Staff, partners, and alumni are also recognised for their dedicated service and valuable contributions to the school. Congratulations to all prize recipients!
17. The celebration will be class-based, and the dismissal timing for each level is as follows:

Level	Time
Sec 1	1.10 pm
Sec 2	1.20 pm
Sec 3	1.30 pm
Sec 4 & 5	1.40 pm

18. Singapore Citizen and Permanent Resident students born in the year 2007 are required by law to complete **NRIC registration** this year. The registration exercise will be conducted on **29 April 2022 (Fri)** at the school.
19. Parents will receive notification letters from the Immigration & Checkpoints Authority (ICA) two weeks before the registration date, which will provide complete information on the process. We will also keep you updated through the Parents Gateway (PG) mobile app and the school website.
20. Please refer to **Annex B** for the key school events in Term 2, as well as other important dates for the rest of the year. More details on the events will be provided at a later date.

### **Term 2 Weighted Assessments (WAs)**

21. As announced by MOE, each subject has at most one WA per school term. This allows teachers to better pace out teaching and learning, and enhance students' learning experiences. In turn, this helps students to build their confidence and develop an intrinsic motivation to learn. WAs can take different forms for different subjects: Class Tests, Projects, Coursework, or Assignments. The schedule for Term 2 is:

<b>Sec 3 WA Schedule for Term 2</b>

22. In the event of absence from class tests due to valid reasons, e.g. representing school or country in official sanctioned competitions and conferences, a “Valid Reason (VR)” will be given for the class test. This is in recognition of students’ holistic development, given that the student development and academic domains are both important. Students can attempt the class test at a later date for the purposes of practice, and feedback will be given to support their learning.
23. Beyond WAs, teachers also formatively assess learning outcomes, strengths, and areas for growth of each student by employing questioning techniques during lessons, and assigning class work and homework. Teachers will indicate the assigned homework on the Homework Board in the classroom, and students should record in their copy of the Student Handbook (available at <https://go.gov.sg/sss-handbook-2022>).
24. Students are strongly encouraged to seek consultations with teachers in other subject areas, whenever they are in doubt. This will help to address learning gaps earlier in a timely manner.

### **Mid-Year Examinations (MYE)**

25. The MYE will be conducted on:

- **Sec 2: 28 April** and from **9 to 13 May**
- **Sec 4 & 5: 28 April** and from **5 to 13 May**

The MYE timetable will be issued to students at a later date. Please refer to Pages 22 and 23 of the [Student Handbook](#) for the Test/Examinations Rules and Regulations.

26. Examinations feedback will be conducted for Sec 2, 4, and 5 from **18 to 20 May**.
27. There will be **no MYE for Sec 1 and 3**. This is to provide adequate time and space for students to adjust to the new subjects and the higher content rigour.
28. Home-Based Learning (HBL) Day for Sec 1 and 3 and Marking Day for Sec 2, 4 and 5 will be scheduled on **17 May (Wed)**. Students do not need to report to school.
29. The above information is summarised in the table below:

### **Home-Based Learning (HBL) and Student-Initiated Learning (SIL)**

30. As announced by MOE, Blended Learning is a key feature of the schooling experience to further develop students’ ability to be self-directed, passionate, and life-long learners. Through Blended Learning, regularly-scheduled HBL Days once a fortnight complement teaching and learning in schools. Students’ learning during HBL Days is supported by the NDLP and their procured PLDs (see above).
31. At Serangoon Secondary, HBL Days will take place fortnightly on **Even Week Tuesdays with effect from Term 2 Week 2** for all students. As per 2021, each HBL Day consists 4 hours of curriculum coverage subjects, 1 hour of rotated elective subjects, and 1 hour of SIL. Please refer to the schedule below for the HBL Days and the rotated elective subjects:

32. A conducive learning environment and access to ICT devices at home are necessary for learning to take place effectively during HBL Days. The school will continue to support students without access to ICT devices, in particular Sec 5 students who do not need to purchase PLDs. Selected students, based on needs, will also be identified to return to school for in-school HBL during HBL Days.
33. **Student-Initiated Learning (SIL).** SIL is an opportunity for your child/ward to learn to be an independent, passionate, and life-long learner. It enables students to exercise agency, explore their interests and passions, and learn within and beyond the curriculum. Thus, it seeks to develop students' intrinsic motivation and nurture self-directed learning. It also helps students to discover their interests and plan how they should go about pursuing them.
34. All Sec 1 to 5 students will be assigned a planning template at the start of Term 2. Your child/ward will need to identify and indicate his/her interest under 5 themes identified for SIL. These 5 themes (Knowing Asia, The Arts, Science-Technology-Engineering-Mathematics (S.T.E.M.), Entrepreneurship, and Overall Well-Being and Life Skills) are intended to encompass a broad range of activities so as to better appeal to the diverse learning interests and needs of all students. Sec 2 to 4 students are encouraged to continue with the plan that they had started in 2021 to deepen their understanding of, and interest in, their previous activity. Your child/ward's SIL plans are to be submitted to ensure that they are appropriate and safe to be conducted at home. Students are reminded to exercise care and caution in carrying out the selected activity to keep themselves and those around them safe.
35. Your child/ward will not be graded based on what he/she has learnt during SIL. This is to motivate students' learning and avoid an over-emphasis on grades, particularly in this context of harnessing their interests to nurture intrinsic motivation. At the end of their SIL journey in Term 4 (for Sec 1 to 3 students) or Term 2 (for Sec 4 and 5 students), students will be required to submit a reflection of their learning.
36. Parents/Guardians are strongly encouraged to play an active role in checking in with your child/ward on the selected SIL activity, and to encourage and motivate your child/ward to give his/her best in the pursuit of the activity.

### **School Expectations**

37. Students coming in after 7.30 am (for Sec 1, 4, and 5) or after 7.40 am (for Sec 2 and 3) are late for school and will be required to serve detention or corrective work order. We encourage students to arrive in school at least five minutes before the respective reporting time. This will help them frame their mind and prepare themselves to learn for the rest of the day.

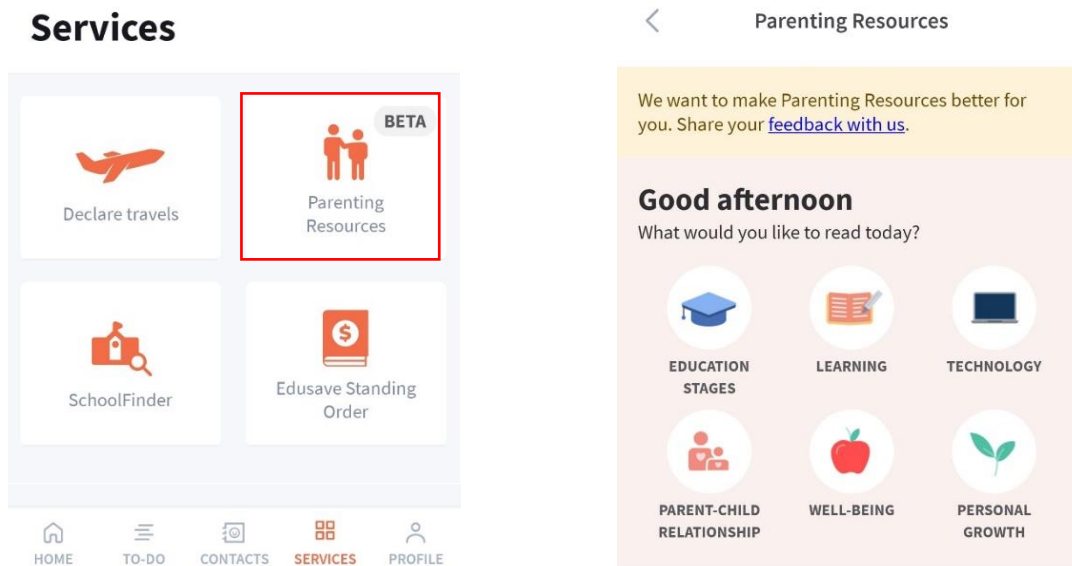

38. As a school, we strive to inculcate appropriate and responsible device usage in our students. Unless allowed by teachers for learning purposes during lessons, handphone usage is restricted to before 7.25 am and after dismissal. Handphones are not allowed during recess, so that students can focus on taking their meals or interacting with their peers. Parents/Guardians can contact the General Office at 6385 1589 if you need to contact your child/ward urgently. Infringement of rules on the use of electronic devices/handphones may result in the confiscation of the device.
39. Over the past two years, the number of offenders caught for possession or usage of vaping products has showed an upward trend. It was found that one-third of the offenders were below 18 years old. In line with Health Sciences Authority's enforcement and education efforts and Health Promotion Board's upcoming "Vape Free" campaign, the school will cane and suspend students caught for possession or usage of vaping products. We seek your support to keep our school environment healthy, safe, and conducive for all.
40. The **proper** wearing of face masks is paramount. Students must wear their face masks properly, covering their nose, mouth, and chin at all times. They are only allowed to remove their masks during meal times and PE lessons. After their meals or PE lessons, they must immediately wear back their masks. Consequences will be given to students who do not wear their masks despite reminders and warnings, and these consequences include detention and suspension from school.
41. Further information on school expectations and rules, such as on student bearing and appearance, can be found in Pages 12 to 21 of our [Student Handbook](#).

### Updates on School Campus

42. To serve students and staff better, there will be a covered linkway connecting the school foyer to the bus stop in front of the school (Bus Service 324). The Land Transport Authority has commenced work on the external segment of the covered linkway. Works on the segment within the school compound will start in June. The project will be completed by the end of the year.

### School-Home Partnerships

43. As a parent/guardian, you are the key navigator of your child's/ward's growth. Your child/ward will benefit the most when we work together to fulfil our shared responsibilities to bring out the best in him/her. You may visit MOE's Schoolbag.sg website (<https://www.schoolbag.sg>) for more information on how to partner schools.
44. In line with MOE's Parents Gateway (PG) mobile app to strengthen school-home partnerships, official school communication will be disseminated via PG and the school website, and no longer in hard copy. We strongly encourage you to be onboard PG if you have not already done so. Please ensure you have your SingPass and 2-Factor Verification (2FA) ready in order to access the app.
  - a) Download and install the PG mobile app from Apple or Play Store
  - b) Perform a one-time registration process
  - c) Enable 'Allow Notifications' to receive push notifications
45. From 7 February 2022 onwards, parents are able to view resources and tips in the new 'Parenting Resources' on the 'Services' tab within PG. There are six broad categories with 27 topics of resources, ranging from Learning Attitude to Cyber Wellness.
