## **Concerned About Your Next Step?**

## Stop

• Calm yourself down. Take a few deep breaths.

## Think

- Think through the different options that are available for you. Keep things in perspective.
- Remember that the O-Level is not the end point and is only one part of your life journey.

Do

- Have conversations with trusted adults who know you well to advise and guide you (parents, teachers, ECG counsellor).
- Decide and act based on your options.

When you receive your results, you may experience a range of emotions.

Managing these emotions well will allow you to stay calm and make rational decisions.

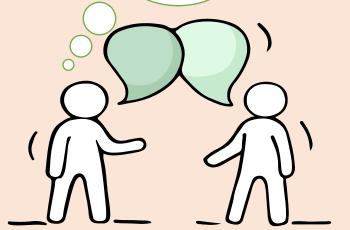

## Reaching out for support is a sign of strength

If you have questions about your options or are not coping well, you can reach out to trusted adults such as a parent/guardian, teacher, school Counsellor or ECG Counsellor. You can also talk to a trusted friend.

Make an appointment to speak with your ECG Counsellor in school

OR

Make an ECG counselling appointment via the ECG Centre @ MOE https://go.gov.sg/moe-ecg-centre
